II. Mining and Reclamation

1. Was the mine active during the past year? Yes ☒ No ☐
2. If active, how much ore or mineral was mined? No ore was mined during the year
all mining activities were directed towards adit rehabilitation, exploration and development.

3. How much additional acreage was disturbed during the past year? 0.177 Acre
4. Briefly describe any new or additional surface disturbances that occurred during the past year. This description should include the type of work performed, and volume of material moved.

A old existing road was rehabilitated to provide access to the Plummer Tunnel. Work in the Plummer Tunnel entailed opening and retimbering the collar of the adit, underground sampling, cleaning and stabilizing caved areas of the old mine workings.

5. How much acreage was reclaimed during the past year? None in Mammoth permit area
6. Briefly describe the reclamation work performed during the past year. This description should include methods employed, and an evaluation of the results.
- Underground mine exploration and rehabilitation was started at the Mammoth mine during the last quarter 1994. This project is still in the initial startup phase and no reclamation was completed at this site by years end.

7. What is the total disturbed acreage at years end? 0.177 Acre - New Disturbance.

8. Briefly summarize any mining and/or reclamation plans for the upcoming year.

Centurion Mines Corporation plans to continue a underground mine rehabilitation program of old previously existing mine workings around the Mammoth mine. This program will allow us to access many areas so our company can complete a underground mine exploration, evaluation and development program.

NOTE: Section III., "Additional Information" applies only to large mining operations.

III. Additional Information

1. An updated surface facilities map should be attached if there have been significant changes since the previous map was submitted.
2. Any monitoring results or other reports that are required under the terms of the approved notice of intention should also be attached.
